Dear Residents, Family Members & Friends,

Thank you to everyone who attended today's CEO Outbreak Update & Townhall. If you missed today's update, please visit the following URL to watch the video: <http://bit.ly/SVJan13townhall>.

We are thrilled to tell you that thanks to our partners, the advocacy of our family members and Shalom Village Staff, we were able to vaccinate 129 of our residents. This means that 87% of our residents have received their first vaccination. The vaccination team will return again in 21 days to provide the 2nd vaccination. Any resident who did not receive their vaccination, will get their first vaccination in 21 days, when our other residents are receiving their 2nd shot.

We are also making excellent progress on staff vaccinations. To-date, approximately 55% of our staff have received their vaccination through Hamilton Health Sciences.

As per Public Health reporting guidelines, Shalom Village currently has 15 active resident cases of COVID-19, and 12 active staff cases. Below you will find today's COVID-19 update:
