Dear Residents, Family Members & Friends,

I am delighted to report that we have had no new staff or resident cases since our last report.

Thanks to the dedication of Shalom Village staff, and with the outstanding support of our partners, we are increasingly hopeful that we have turned a corner in our fight to combat COVID-19. We must all remain vigilant as we continue to work together to ensure the virus remains in retreat.

As per Public Health reporting guidelines, ***Shalom Village currently has 9 active resident cases of COVID-19, and 5 active staff cases.*** Below you will find today's COVID-19 update:

- Total number of resident positive COVID Cases: 112 **(9 Active & 81 Resolved)**
 - Apartments/Assisted Living: 21 **(13 resolved – 5 active, including 1 in hospital)**
 - Long Term Care (LTC): 91 Positive tests **(70 resolved - 4 active, including 2 in hospital)**
- Staff Total Positive Cases: 97* **(92 Resolved – 5 Active)**

In addition to this, 4 essential caregivers have also tested positive (4 resolved), and 4 individuals are in hospital. Our hearts and sympathies go out to the family members and loved one's of the 20 residents who previously passed away as a result of the COVID virus.

I want to thank you all for your ongoing trust and support. I wish each of you health, happiness and peace of mind, this weekend and always.

If you should have any questions or concerns that you would like to bring to our attention, please contact Laurie Pringle at Info@ShalomVillage.ca. She will be delighted to assist you.

Respectfully,

Ken Callaghan
CEO, Shalom Village
