Dear Residents, Family Members & Friends,

We continue to enjoy a productive relationship with our partners at Public Health and St. Joseph's Healthcare. Staffing levels remain adequate, and we anticipate that more staff will be in a position to return to work in the coming days.

Your good wishes, and kind words, continue to buoy our staff member's spirits, as they work to eradicate this virus from Shalom Village, and safeguard our residents. Below is one of the many wonderful comments we have received:

"Thank you for the updates and continuously looking after all of us in Shalom from residents to all the staff. Together, we will make through this difficult time..."

Below you will find today's COVID-19 update:
