Dear Residents, Family Members & Friends,

Thank you again for the warm welcome and support. Today our residents are enjoying guided meditation on our TV Channels, as well as wonderful virtual hike through Banff National Park! We hope that activities like this will help to support their emotional wellbeing and give them some positive interaction throughout the day.

Below you will find today's COVID-19 update:

- Number of staff who have tested positive for COVID: 78 (66 resolved)
- Number of resident positive COVID Cases: 95
  - Apartments/Assisted Living: 15 (6 resolved)
    - 1 in SVO 1<sup>st</sup> floor
    - 5 in SVO 2<sup>nd</sup> floor
    - 3 in SVO 3<sup>rd</sup> floor
    - 6 in SVO 4<sup>th</sup> floor
  - Long Term Care (LTC): 85 Positive tests (63 resolved)

\*\* In addition to this, 4 essential caregivers have also tested positive, and 3 individuals are in hospital. We are sad to say that, to-date, we have had 20 individuals pass-away from COVID-19. We are all heartbroken for the families and friends who mourn for their loved one.

As always, please feel free to email any questions or concerns you may have to Laurie Pringle at [Info@ShalomVillage.ca](mailto:Info@ShalomVillage.ca). She will be happy to ensure you get timely answers, and/or speak to the appropriate person for assistance.

Thank you for your patience and your support.

Respectfully,

Ken Callaghan
