

February 10, 2021

Dear Residents, Family Members & Friends,

Thank you to everyone who joined us for yesterday's Townhall. If you'd like to listen/watch yesterday's townhall, please clicking the following link: <http://bit.ly/SVTWNHallFeb9-21>

I am pleased to report that we continue to have no new positive cases of COVID-19. As I'm sure you can imagine, the major topic of discussion surrounded how and when existing precautions and protocols might be lessened to allow our residents to engage in more activities. We are working hard to build a plan that will allow us provide residents and family members more options.

We hope to have the plans finalized soon and when we do, you will be notified. We want to ensure that we are doing everything possible to prevent future Outbreaks, and we must also ensure we remain compliant with the provincial restrictions that are currently in-place.

We are aware that some individuals whose vaccinations were delayed have now been contacted by HHS. If you haven't received a communication regarding your 2nd vaccination, you should expect to hear something in the next week or two. Additionally, we are hopeful that Essential Caregivers who have yet to get their first vaccination will soon be able to begin their regime.

I want to thank you all for your patience as we work through the protocols to ensure the safety of everyone at Shalom Village.

I look forward to speaking to you again at next week's Townhall.

Respectfully,

Ken Callaghan
CEO, Shalom Village
