

March 3, 2021

Dear Residents, Family Members & Friends,

I am excited to announce that staff vaccinations have resumed and we are now able to report that more than 80% of our staff are vaccinated. Additionally, we are seeing more Essential Caregivers receive appointments for vaccinations.

Also, locally, seniors over 85 years of age who are living at home are also now receiving their initial vaccinations.

As previously reported, our new Long Term Care Administrator, Michael Bastian will join the Shalom Village family on March 8th. I know you will all make him very welcome.

We are also noticing that fewer individuals are attending our Townhalls. We will continue to provide them weekly for a little while longer, and then as we continue to see positive progress with the new protocols, we will consult with the community regarding holding our online townhalls less frequently.

For those of you who were unable to attend yesterday's CEO Townhall, you can view the recording by clicking on the following link: <http://bit.ly/SVTWNHallMar2-21>

Thank you again for your support. Be safe and be well.

Respectfully,

Ken Callaghan
CEO, Shalom Village
