Did you know one of Marilyn Monroe's iconic dresses sold for millions?

The iconic sparkly dress that Marilyn Monroe wore to serenade “Happy Birthday” to President John F. Kennedy sold for a staggering \$4.8 million at auction in 2016. To this day, this transaction remains the world record for the most expensive article of clothing ever sold, beating out the record previously held by yet another one of Monroe's dresses, the infamous white costume dress from the film The Seven Year Itch.
